

## Descriptions, Activities, Scholarships, and Grants

The Whatcom County Youth Fair is a two-day learning fair. It is not necessary to belong to any club or organization, or to own an animal, but it is advisable to bring your own. Listed below are brief descriptions of each division. The division superintendents will contact you after your entry is received to inform you of what, if anything, to bring to the fair.

**Beef:** You will attend a clipping clinic, a Fit & Show clinic, followed by hands on practice. After clinics & practice, you will show your animal in the ring. Animals must be at least three months of age, no horns, and clean but preferably not clipped. **A Grant is Available** from Whatcom County Cattleman for the purchase of a Beef animal. For more info, See Scholarships and Grants section.

**Calligraphy:** Learn the techniques, letterforms and Art of Calligraphy using dip pens and ink. For ages 12 and up.

**Cats:** After getting to know each other, we will be decorating cages (cats are home on Friday, bring your cat on Sat only). You will learn how to prepare your cat for show, then practice fitting & showing. Other activities include; a poster making, cat safety, and first aid. Cat exhibitors must present proof of vaccinations from a licensed veterinarian for: Panleukopenia, feline rhinotracheitis, calici viruses, a combination shot, and feline leukemia.

**Cavies:** You will learn about different breed characteristics, care, housing needs, health care as well as a Type and Fit & Show class.

**Chess:** You will enhance, strengthen, and learn about the Game of Kings. All skill levels are welcome, from beginners just getting started, to advanced. Learn exciting new chess strategies and test your skills with a mini chess tournament. FUN!

**Country Crafts/Horticulture:** If you enjoy exploring new craft projects and want to learn about seeds, plants, gardens, and do crafts with a country motif, come join this division.

**Creative Writing:** Attendees will be instructed on the nuts and bolts of writing, from facing that first blank page to seeing a completed work. Among the topics we will explore are: Novels, character development, scene set up, poetry, prose, short stories, and more!

**Dairy:** For novice to advanced dairy show-person, the division has classes on clipping, showing and judging. There will also be other fun and educational classes as well as Fit & Show and Type classes.

**Dogs: Crates are required, no pens will be provided.** This will be a busy two days of obedience and sociability training along with several dog demonstrations and a talk by a local veterinarian. All dogs must be at least six months old, have a rabies certificate dated within 36 months, and be current on all vaccinations to include Parvo and kennel cough. Please bring proof with each dog.

**Entrepreneurship:** Would you like to start your own business? Here is a chance to learn about the whole process: marketing, bookkeeping, etc. You will have an area to set up a booth to sell your product or service. **Home baked goods must be individually wrapped. Hot foods must be cooked in a certified kitchen and have a food handler permit.**

**Goats:** In the goat division, (pygmy, dairy, meat) you will learn about proper care, grooming and hoof trimming. There will also be a Fit & Show clinic and contest. All goats will be required to have scrapies ID (ear tag, tattoo, or other permanent form of identification) with flock number. For any questions regarding the federal program, please call Washington State Dept. of Ag. (360)902-1878. No Horned animals allowed.

**Horse:** Two busy days of Horse related activities. You will learn judging, practice groom squad, basic vet care, and Fitting and Showing at halter class. Please **do not** bring your own horse. For the safety of the exhibitors, quiet horses are provided for the youth. No riding.

**Knitting:** Here's your opportunity to learn the basics of knitting. Create a variety of fabrics using different yarns and needles. You will learn to do the knit & purl stitch, cast on, bind off, more advanced techniques for advanced knitters and go home with at least one small useful project and sample swatches. Equipment will be provided.

**Lawn Mower Pull:** Bring a riding lawnmower if possible and learn the ins and outs of tractor sled pulling, rules & regulations, how to keep your mower running and how to have fun competing with your mower. Learn basic troubleshooting and machine maintenance.

**Photography:** Introduction to camera basics. We will have Guest speakers who work in the photography field, a photo scavenger hunt & photo judging. You will have fun learning how to take better pictures and express your creativity. A digital camera will be needed.

**Posters & Charts:** All entrants to the Youth Fair are encouraged to enter posters in the Poster Division. The posters will be displayed throughout the barns and serve as educational material for WCYF visitors. All posters will be judged and receive constructive comments.
